

UP Russell Character

UP Russell Character: Instructions

Step 1. Print out all of the pages on cardstock or regular paper. Use scissors or a craft knife to cut out Russell's body and each of his arms. Do not cut along the dashed lines in the body or arms -- these lines are where you will fold the paper.

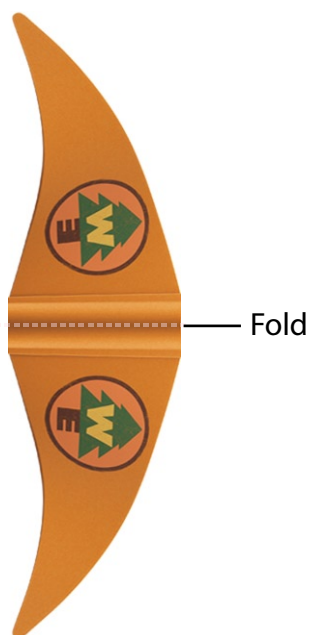

Step 2. Take Russell's body and make all of the folds along the dashed lines for the body and the tabs. Make each fold away from you except for Russell's legs. For Russell's legs, fold the top dashed line towards you and the bottom dashed line away from you. This will help him sit on the edge of a table or shelf.

Step 3. Glue the tabs to the inside of Russell's body. The glued tabs will create a box (his backpack) on Russell's back.

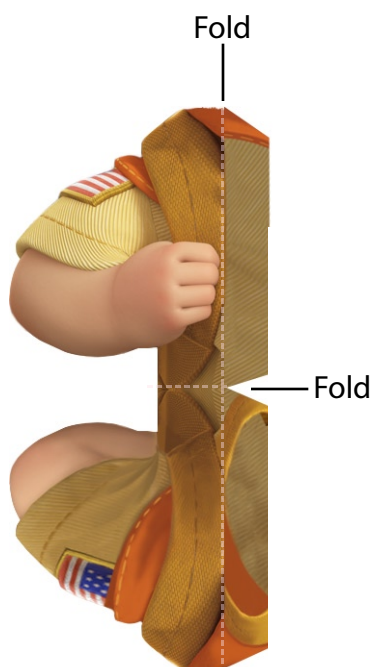

Step 4. Fold each of Russell's arms in half along the dashed line and glue the two sides together. Glue each arm to Russell's sides.

Step 5. Fold the flag over a toothpick or coffee stirrer and glue it together. Tape the toothpick with the flag to the inside of Russell's backpack.
